## Room to let at Richmond Park Bowling club.

We have a small room available to let out to any group who may be interested. The room has a small kitchen and room for about 6 tables if someone is looking for a teaching room or crafters to meet 2 or 3 times a week. There is heating and ample parking and a loo. The room is with the winton park complex. The monthly cost would be from £250.00 per month which will include the heating and lighting. Being a card crafter and have been to all the craft fairs I thought it may of some use to any person or organisation. You are more than welcome to come along at look at this facility.
